Benediction

Chorus: There’s A Quiet Understanding

There’s a quiet understanding, as we gather in the spirit. It’s a promise that he gives us,
when we gather in his name. There’s a love we feel in Jesus. There’s a manna that he feeds us.
There’s a promise that he gives us. When we gather in his name.
And we know when we’re together, sharing love and understanding.
That our brothers and our sisters feel the oneness that he brings.
Thank you, thank you, thank you Jesus. For the way you love and feed us.
For the many ways you lead us, thank you, thank you Lord.
Thank you, thank you Lord. Thank you, thank you Lord.

3 June 2020

Dear Family in Christ of Windsor Congregational Christian Church,

The decision of the Board to suspend worship in March was based upon health risks and the request of our state governor. In April, realizing it would be months before we could return to the sanctuary, I decided to use Zoom to provide a safe and somewhat gathered worship experience. Participation was better than I anticipated and was well received and supported. However, there are a few members of whom this week I have been made aware, for whom it was understandably not well suited. I will endeavor to reach out personally to these members.

Although some health risk remains, it is the decision of the Board **to resume worship in the sanctuary on Sunday, June 14th at the usual 11:00 am hour**. However, we will be following health guidelines offered by the Virginia Department of Health. I want to stress that those who are persons of high-risk groups should not feel obligated to venture out at this time. As the virus remains present in the community through residents and those traveling through, and has no reliable cure, the Board of Deacons and I prefer that no one take unnecessary risks. The service will continue to be shared live through Zoom.

We will not be returning to the same worship experience. There are health safety directives which we will strictly follow. Face masks must be worn at all times while in the sanctuary. Social distancing remains essential. There will not be a children's moment, Sunday school, nursery or Children's Church.

Entry and exit will be only through the front door of the sanctuary. Hand sanitizer as well as face masks for those who left home without, will be made available as you enter the building. Remember, these measures are for the safety of others and you. The pew to which you are directed may not be the one you usually occupy. The ushers will guide you to an available pew and at the conclusion of the service all will wait upon the direction of an usher to depart so that the aisle remains un-congested. Please be patient with the ushers and the seating measures we must take.

The restrooms will be unavailable and therefore, the service will continue in the half-hour format experienced through our worship on Zoom. The offering plate will not be passed, rather, it will be placed at the rear of the sanctuary. There will be no choir. Worship music will continue to be limited to that of our Zoom gatherings. The bulletin will be the emailed sheet which will also be available as you are seated.

During the challenges of our present time, we remain one is Spirit. The location of our worship is secondary to how we worship. With the woman at the well Jesus shared a truth we may hear as being more relevant to us than in times past. The woman said to Jesus,

"Our fathers worshiped on this mountain, but you Jews claim that the place where we must worship is Jerusalem." Jesus declared, "A time is coming when you will worship the Father neither on this mountain nor in Jerusalem...God is spirit, and his worshipers must worship in spirit and in truth." – John 4:19ff

Your servant in Christ,

Pastor Sam
